Response to Restriction Requirement

Sir:

Responsive to the Restriction Requirement of April 18, 2007, please enter the following amendments to the claims as set forth below. No changes to the preliminary amendment filed March 24, 2004 have been made, except that the status identifiers have been amended to reflect the current requirements. The applicant notes that at the time the preliminary amendment was filed, the status identifiers were proper. The applicant again notes that the applicant has previously filed a power of attorney and change of correspondence address form authorizing the undersigned to prosecute the case, and again requests that the Patent and Trademark Office to correspond with the undersigned at the address given below. The applicant respectfully repeats his request, for the third time, that the examiner please change the attorney reference number in the USPTO computer system and on all future correspondence related to this application, to "13938-E".

Amendments to the Claims are reflected in the listing of claims which begins on page 2 of this paper.

Comments/Remarks begin on page 8 of this paper.
